For those who live 3+ hours away or those who are unable to attend the in-person audition dates, indicate on your audition information form that you would like to submit an online audition

Theatre Technicians

Looking for a top-of-the-line experience with stage technology's coolest toys? Our theatre tech team (Stage Manager, Lighting Tech, and Audio Technician) work closely to turn each Wisconsin Singers show into a seamless professional performance. If you have interest in backstage work, this is YOUR way to stay involved, no matter what your major.

- Train in state-of-the-art sound and lighting equipment - experience preferred
- Submit resume and cover letter to getinvolved@wisconsinsingers.com by May 19th

A Sneak Peek at being a Wisconsin Singer

- **April/ May:** Auditions for the following season
- **Mid July weekend:** Rehearsal camp where you meet your fellow performers, learn music for the new show, and get fitted for costumes.
- **Last two weeks in August:** Production camp where you work with vocal, band, and dance professionals to mount the new show
- **Fall semester:** Sunday rehearsals through mid-November.
- **Spring semester:** Perform in different communities and facilitate workshops for gr. 5-12 musicians. (Spring Break tour to Florida!)
- Costumes, music, and travel expenses are covered by the Singers.
